# A.S. GENERAL AGRICULTURE

**TAKE COURSES WITH A FOCUS ON AGRICULTURE FROM SOUTH DAKOTA  
STATE UNIVERSITY IN RAPID CITY!**

The two-year program in General Agriculture is designed for students who want to earn a college education, but not necessarily a four year degree. The flexibility of courses, which are now available in Rapid City, allows you to stay close to home while working towards your degree from South Dakota State University.

# Courses in Agriculture from SDSU at University Center - Rapid City

General Education courses offered online, Rapid City or Black Hills State University
